

International Linkage

With a vision to have a strong global connect, and to integrate NIFT students into the mainstream of international fashion fraternity, NIFT has entered into agreements with leading fashion institutes and organizations in UK, France, Italy, Germany, Netherlands, USA, Australia, Canada, Sweden and Bangladesh for academic alliance. Extensive course mapping has been done for various institutes that NIFT has MoU with, with a view to ensure that the MoU's are active and maximum benefit is brought to NIFT and NIFT fraternity. **The courses offered by the foreign Institute have been matched against the courses offered at NIFT.** This will ensure that the students who take up exchange at any other foreign Institute do not face problem in selection of courses and also do not miss on important inputs being offered at NIFT to other batchmates. A list of NIFT Departments/Programs that map with the courses offered by the respective institutes is placed below:
