

*In view the existing law and order situation in parts of J&K, it has been decided to temporarily transfer the students admitted for Srinagar Campus to NIFT Jodhpur Campus and Academic Schedule for these Srinagar students to start **from 19th September 2016** at **Jodhpur Campus**. The time lost due to the situation in Srinagar will be made up by holding classes on Saturdays and, if required, during mid- semester break.*

The hostel fee for these students for the period of stay in Jodhpur will be as per applicable fee for Jodhpur Campus published in the NIFT prospectus on page 82 for one semester for the time being.
