“Collective Responsibility & Ethical Excellence”

MESSAGE FROM THE CAMPUS DIRECTOR

Dear Faculty, Staff and Students,

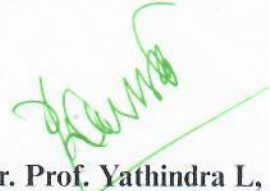

Prosperity is not measured by achievement alone; it is sustained by the values that guide us towards it. The theme “सत्यानिष्ठा से समृद्धि” - “Probity for Prosperity” reminds us that honesty, integrity and accountability are essential to creating meaningful and lasting progress.

At NIFT Bengaluru, every member of our community has a role in fostering an environment built on trust and ethical responsibility. Whether in the classroom, at work, in our creative practices or in our interactions with one another, our commitment to fairness and transparency shapes the character of our institution.

Let us therefore remain vigilant in our actions, responsible in our decisions and courageous in upholding what is right. By choosing integrity even when no one is watching, we strengthen not only our institution but also the values that shape the society around us.

Together, let us make probity a shared commitment and ensure that our pursuit of excellence is always accompanied by honesty, responsibility and trust. For when integrity leads the way, prosperity follows.

Bhavya Bharat!
