### B PROVISIONAL ADMISSION & ELIGIBILITY FOR REGULARISATION OF ADMISSION IN NIFT FOR UG / PG PROGRAMMES & CANCELLATION & WITHDRAWAL OF CANDIDATURE.

The candidates who have appeared for 12th std. exam or graduation exam up to 30th June, of the year for which they have applied are allowed to seek admission on provisional basis. Proof of having appeared for the graduation or 10 + 2 examination will have to be produced at the time of joining in the NIFT programme. Under no circumstance, will students, who have not completed their examination by the above mentioned date, be given admission. Their admission, however, will be provisional and subject to their obtaining the minimum stipulated eligibility as mentioned in the Prospectus of the relevant year. The provisional admission will automatically stand cancelled on 30th September of the year of admission if proof of eligibility is not submitted to NIFT by 30th September.

Category (General / SC / ST / PHP / NRI) once filled up in the application form will not be changes at any stage.

A selected candidate can withdraw from the course at any given point of time subject to terms and conditions.

### C FEES

- C.1 The fee structure as applicable for the students of the regular programme will be charged from the students. Any revision in the fee structure would be notified separately from time to time. The fee is to be paid in full by the last date as specified in the Academic Calendar. The students shall not be allowed to join the programme if fees are not paid by the due date. Semester fees once deposited shall not be refunded. Any delay in payment of fees beyond the dates specified in the Academic Calendar would result in the name of the student being struck off from the rolls of the institute. To continue studies in NIFT, the student would have to pay a re-registration fee of Rs.5000/- over and above the semester fee, within the next 15 calendar days after the notified last day for depositing fee with fine.

All deposits / payment of fees shall be made by Demand Draft in favour of the National Institute of Fashion Technology, payable at the allotted center or in cash through NIFT Challan to the authorized bank of respective NIFT centres.

- C.2 The refundable component of the amount deposited at the time of admission is refundable to students on completion of the programme or from the date he / she ceases to be a student of NIFT. This is done on production of prescribed 'No Dues Certificate' from concerned Departments / Library and Resource Centre/ Academic Branch / Computers Labs / Hostel etc. No request for refund would be entertained after six months from the date of completion of the programme or the student leaving the institute. Production of the "No Dues Certificate" is also essential for award of Degree.

- C.3 Student who leave NIFT mid course or who are asked to leave NIFT for whatever reasons will not be entitled to refund of fees, except the amount of the refundable security deposit.
- C.4 Re-registration on account of repeating a semester will involve payment of Rs. 5000/- along with the semester fees (see clause D-25).
- C.5 Identity Cards will be issued on 'Registration' to students for entry to the institute. The Identity Card should be presented on demand and carried by the students on his / her person at all times. Misuse of the Identity card and / or any tampering or forgery shall invite disciplinary action.
- C.6 In case of loss, mutilation, over writing or change in particulars of the Identity Card, the issuing authority is to be informed immediately. Replacement of Card will be made on written request and on payment of Rs. 250/-. The Identity Card must be surrendered on completion of the programme along with 'No Dues Certificate'.
- C.7 On registration, the student will be issued a permanent registration number which will be maintained through their period of study at NIFT. This number will have to be quoted in all correspondence in NIFT.
- C.8 Students shall produce a Medical Fitness Certificate in the prescribed format at the time of registration for admission. Serious illness or disease should be reported to the Director of the Center along with Medical Certificate for information of the Institute. Non disclosure of any such illness resulting in non-performance or absenteeism will be viewed seriously and in such a case the institute reserves the right to terminate the admission of the student. While NIFT is very much concerned about giving opportunity to less enabled candidates, suitability relating to particular programmes shall be examined jointly by the concerned department faculty and representatives of the Vocational Rehabilitation Centre (VRC).
- C.9 A Student can take a maximum of 06 years for completion of a UG Degree Programme and 04 year for

PG Degree Programme from the date of registration.

#### **D.6 GENERAL RULES**

Learning at NIFT is based primarily on interactive methods of inputs and students' participation in projects, research and skill based experiences. It also involves sharing of work as well as learning processes with batch mates and faculty whose feed back and guidance is critical to students' development, understanding and maturity. Any physical absence in such circumstances will therefore, mean a loss of learning opportunity and continuity, which cannot be replaced by self-work under most situations. Punctuality in attending classes must therefore be maintained. Attendance is compulsory for students of all regular programmes unless and until valid reasons are given to support absence. Attendance will be taken by the faculty member at the beginning of each class and recorded accordingly. Unauthorized or habitual absence will invite disciplinary action including failing the student in subject / semester or removal from rolls of the NIFT. Students are expected to be in NIFT campus at 9.00 a.m. sharp for the classes. Regular classes will go up to 5.30 p.m. All students without exception shall enter the class room & be seated at the time scheduled for the start of the class. The door of the class room will be barred against late entry irrespective of the reasons for the delay.

##### **D.6.1 ATTENDANCE**

Attendance shall be taken before the commencement of the class. Parents of those students who are falling short of required attendance shall be informed by registered post under acknowledgement due / courier.

- a) After four weeks of start of semester, this would be in the form of a warning notice.

- b) At the time of mid-term exams, where the warning would be stronger.
- c) Two weeks before the end term exams which would specify whether the student is required to repeat the semester or would be permitted for re-exams.

Minimum 75% attendance of total sessions / classes conducted during the semester (minimum of 65% attendance in each subject taught in the semester) will be a prerequisite for the student to be allowed to appear in the final assessment / end semester exams / jury of the subjects. No exceptions will be made on medical grounds or any social exigencies as provision of 25% and 35% relaxation in attendance includes all such exigencies.

In extreme extenuating circumstances, relaxation in attendance may be allowed to students who have overall attendance of 75% but have less than 65% attendance in upto two subjects, with lower limit of 50%, based on self study norms in these two subjects. The students would be given special assignments related to the topics missed by them, under the guidance of the concerned faculty and based on certification of satisfactory clearance from the faculty, the students may be allowed to appear for examination. The decision will be taken by LASC under intimation to the DG-NIFT before the semester Exam starts.

Uninformed absence of more than four weeks due to any cause or zero percent attendance till mid term will mean loss of candidature for the student i.e. name of the student would be struck off rolls of the Institute

### **D.6.2 MEDICAL CERTIFICATE**

In the case of a student proceeding on medical leave, he/she is required to inform his/her department authorities for permission and also required to submit Medical Fitness Certificate within two working days of resuming his/her studies.

- D.6.5** During the course of studies at NIFT, students are required to do industry internship / training visits/ documentation visits / field study, which could be anywhere in India. For visits outside India, specific details and terms will be worked out by NIFT depending on the context and situation. In case the student wishes to choose a location / institute / industry other than the one assigned, he / she shall have to obtain prior approval from the faculty concerned. This is an integral part of the curriculum and no student can, therefore, refuse to participate in these internship / training / documentation programmes. Inability to participate in or complete the same shall result in failure of the student in the specific programme. The students may have to bear the cost relating to travel, boarding and lodging during these courses.

- D.6.6** Students absenting themselves without any authorized permission from evaluation shall be awarded "Zero" marks in such evaluation and there shall be no provision of re-evaluation or resubmission for such cases.

- D.6.7** Students could also be asked to participate in client / consultancy / classroom projects on behalf of the Institute. This will be a part of the teaching – learning process of the programme. The Institute will not pay students for such activity, unless it forms part of the Student Assistantship Programme.

- D.6.8** Students are prohibited from undertaking any employment / assignment during the course of their studies in NIFT. However, in case it is necessary, the student shall take an explicit written approval from the Centre Coordinator and the Director of the center. This in no way should effect the stipulation regarding the attendance requirement. The student may also contact the SDAC of the center for inclusion in the Student Assistantship Program of NIFT in case of financial need.

- D.6.9** Any work / design developed during the student's tenure at the institute will be the property of NIFT. No commercial transaction of the work can take place unless otherwise carried out through NIFT.
- D.6.10** While studying at the Institute, students will have to operate machines and tools carefully and observe all safety regulations and see that no damage is caused to self or to the Institute's property, machinery and equipment. In case it is found that they have caused any damage to the Institute's property they shall be required to reimburse or make good the damage caused. Any decision regarding the extent of their liability on such account shall be at the discretion of the Institute, which shall be final.
- D.6.11** Computer / Information Technology Education is an integral part of the Academic Programs at NIFT. The facilities available at the Computer Centre are for the use of students.

- D.6.15** Baggage would be kept outside the Computer Lab. Student should ensure that no valuables are kept in the bag. NIFT shall not be liable for any loss in this regard.
- D.6.16** Floppies / CD's / Hardware attachments for software operations or any other removable data storage device cannot be taken in or out without written approval of the department in charge. A violation of this will be considered as an intention for piracy / theft.
- D.6.17** Students will be allowed to take only one original copy of the draft from the lab printer and remaining copies should be photocopied.
- D.6.18** In case of any damage or items missing, the concerned student(s) shall be held responsible for the same and has to pay for the damages.
- D.6.19** Use of Mobile Phone / I Pod or other such electronic equipment in class room / lab is prohibited.
- D.6.20** No full time student of this institute can pursue any other regular or part time courses of any other University, College or Institute simultaneously with a regular programme in NIFT.
- D.6.21** Students must maintain cleanliness in all premises of NIFT. Eatables / beverages are not allowed inside the NIFT study areas including Labs, Library, studios, workshops, classrooms and lecture halls.. Students should have their breakfast/lunch/dinner etc. inside the NIFT Canteen and not allowed to take the eatables/beverages outside the canteen. Smoking is prohibited in all properties and premises of NIFT.
- D.6.22** The nature of learning in all programmes at NIFT requires the students to purchase raw materials, tools, stationary items and other study material from time to time. Specific instructions in this regard will be given by the concerned department / faculty at the beginning of various courses.
- D.6.23** The institute takes utmost care of the students but in case of any natural calamities, war, riots etc., the institute is not responsible for the individual student's safety and security.
- D.6.24** The students will adhere to the Academic Calendar, guidelines and activities as circulated to them at the beginning of the semester.
- D.6.25** In case of medical emergency, the student must inform the concerned Centre Coordinator / Faculty Assistant. The Institute insures all students for medical/accidental cases upto a limit of sum assured.

#### D.6.26 LEAVE OF ABSENCE:

A student may be granted leave of absence / lien for a maximum period of one year on the basis of medical / extenuating circumstances beyond the specified period of study at NIFT. The student must seek prior approval of the Competent Authority for such leave. In all the cases, whether it is leave of absence or detention on account of failure / attendance or removal of name from rolls on account of non payment of dues or disciplinary issues, the student shall keep his / her registration LIVE by paying re-registration fee of ` 5000/- for each absenting semester in addition to the fee of the ongoing semester.

- D.27.6 Students are not supposed to damage the tables/ machines/chairs in the lab by painting/scratching/ scribbling etc.

#### E ACADEMIC PROGRAMME WISE EVALUATION AND PROMOTION POLICY.

The performance evaluation of the students' work is based on demonstrating all-round capabilities and application across all criteria laid down for specific subject evaluation and overall performance in the end semester examination / evaluation by jury system.

The emphasis is on students' capabilities in applying acquired learning in a multi-dimensional manner, to demonstrate an

overall growth and maturity of application across all subjects' inputs. This is an all-important parameter in subjects and semester evaluation.

NIFT uses a multi method approach towards assessing & evaluating the students. The continuous and comprehensive evaluation through the semester for all subjects for all programmes across all NIFT Centres, will include various components as detailed below:

- i Assignments
- ii Mid-Term Evaluation (MTE)
- iii End-Term Examination (ETE) / Jury

Each of these components holds an important function towards the comprehensive assessment of the students. The Assignments given to a student during the semester help him assess his acquiring of necessary skills and knowledge and improve on the gaps assessed assisted by the concerned faculty. This will encourage the student in improving the over all grades as an opportunity will be given to improve the assignments if they are not upto the mark.

The MTE will familiarize and acclimatize the students of the pattern of the ETE. The assessment will be made on the knowledge gained and skills acquired in the first half of the semester.

The ETE will be the final examination of the semester for the assessment of the students. Thus, there will be continuous opportunities throughout the semester for assessment and improvement.

**E.1** Students fulfilling following criteria will be allowed to appear in the examinations:

- a) Paid all the fees and dues to the institute.
- b) He / She has been granted with minimum prescribed attendance in a semester in all subjects.

## E.2 ADMIT CARD

In order to verify the eligibility of a student for the end semester examination, the concept of an admit card has been introduced with the following norms:

- E.2.1 Each student shall fill the application form for issue of the Admit Card and submit to their respective CC
- E.2.2 Students will be issued the admit card, 2-3 days prior to commencement of the end semester exams.
- E.2.3 The date of issue of the admit card to all students will be notified by the COE. It is then the students' responsibility to collect their admit cards from the department.
- E.2.4 No student will be allowed to sit for the examination without the admit card.
- E.2.5 The student who do not receive the admit card before the beginning of the end semester exam, should contact the respective CC and the Centre Director.
- E.2.6 The eligibility of the student vis-a-vis attendance, submission of prior work, etc will be verified before issuing the admit card.
- E.2.7 The admit card shall be issued by the centre COE and the department CC jointly.
- E.2.8 The final evaluation would not be accepted/ undertaken in case the student does not have the admit card.
- E.2.9 It is the responsibility of the COE to verify the eligibility of the student (payment of fees, attendance etc.) for the appearing in the examination before issuing the admit card.
- E.2.10 Penalty for issue of duplicate admit card is Rs. 100/-.

## E.3 EVALUATION MATRIX

NIFT has a multiple evaluation system, which includes written examinations, presentations, practical – skill based exam, common examinations for all the centers, etc. Student should acquaint himself / herself of the evaluation system and distribution of marks system in each subject at the beginning of the semester (available as the Evaluation Matrix). The details of the same would be available with the department center coordinator, in the Resource Centre and would be communicated to the students by the faculty teaching the subject.

## E.4 COURSE CATEGORIES

In different programmes offered in NIFT the following types of courses are offered:

**Core courses** – are courses, which form the fundamental basis of learning essentials in each programme area domain. These form the mainstream courses that are mandatory for student to undertake.

**Non Core Courses** – develop a contextual knowledge base to set off core professional capabilities which help students to co relate issues and appreciate socio-cultural dimensions. The above courses are further categorized as below;

### Theory based course

### Process based course

**Elective Course** which provide options to the students for specialization based on individual, group and industry preference .They may be departmental electives or common electives.

**E.5.2 EXAMINATION**

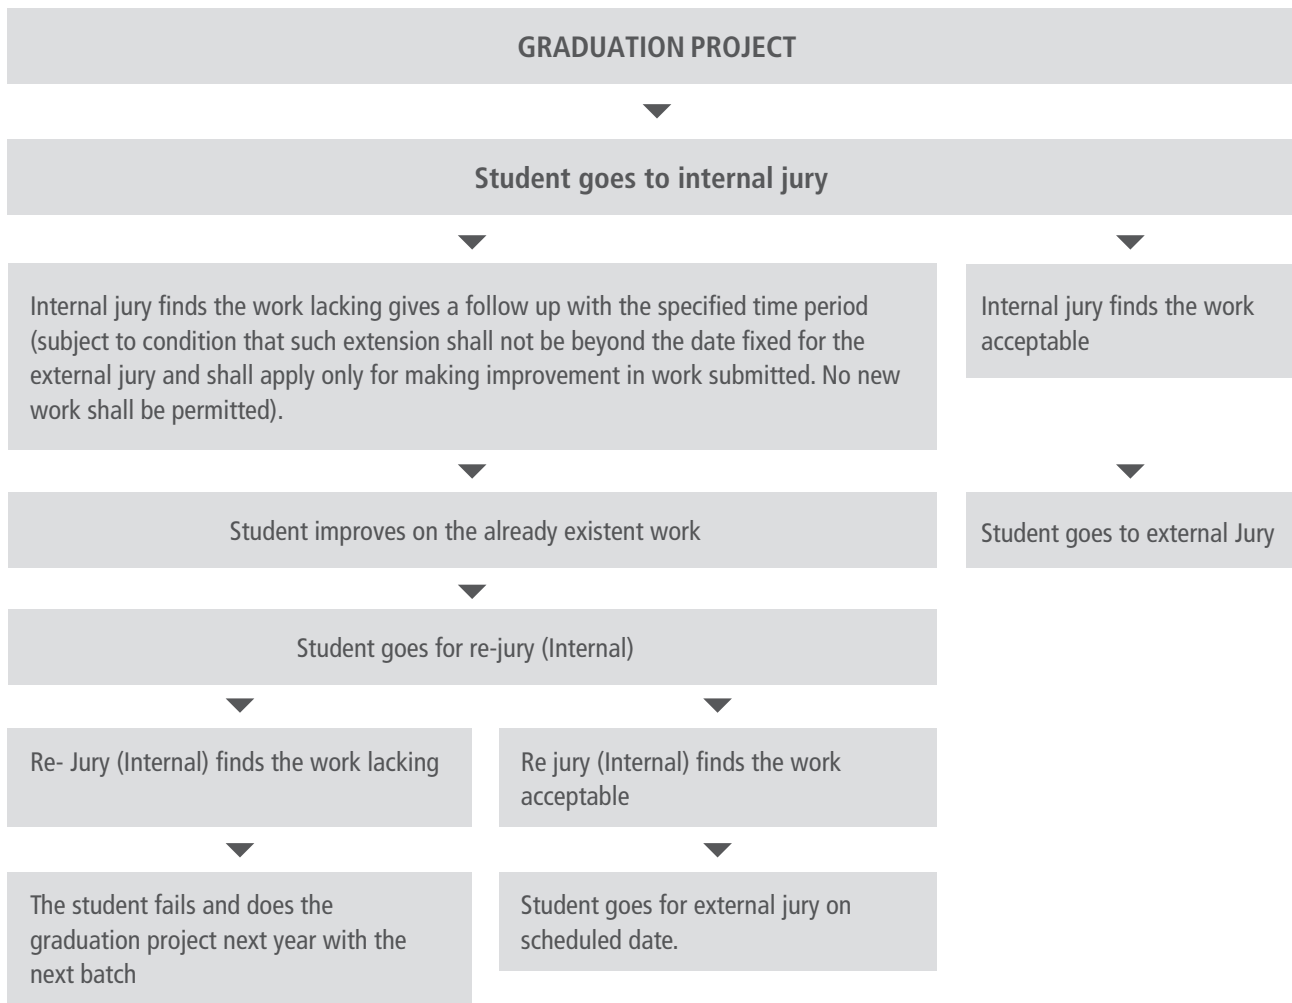

There will be two types of examinations:

- a) **Common Board Exams:** Common exam is conducted to maintain the brand equity of NIFT and achieve benchmarking across the Centres. Normally, all theory-based subjects have common exams. The evaluation of common examination shall be carried out by NIFT Head Office. There will be common grading across all campuses of NIFT in common exam subjects.
- b) **Center Exam:** All process based subjects and elective subject will be having centre level examination / jury / presentation / submission etc. These subjects will be graded for each campus separately.

**Evaluation Criteria**

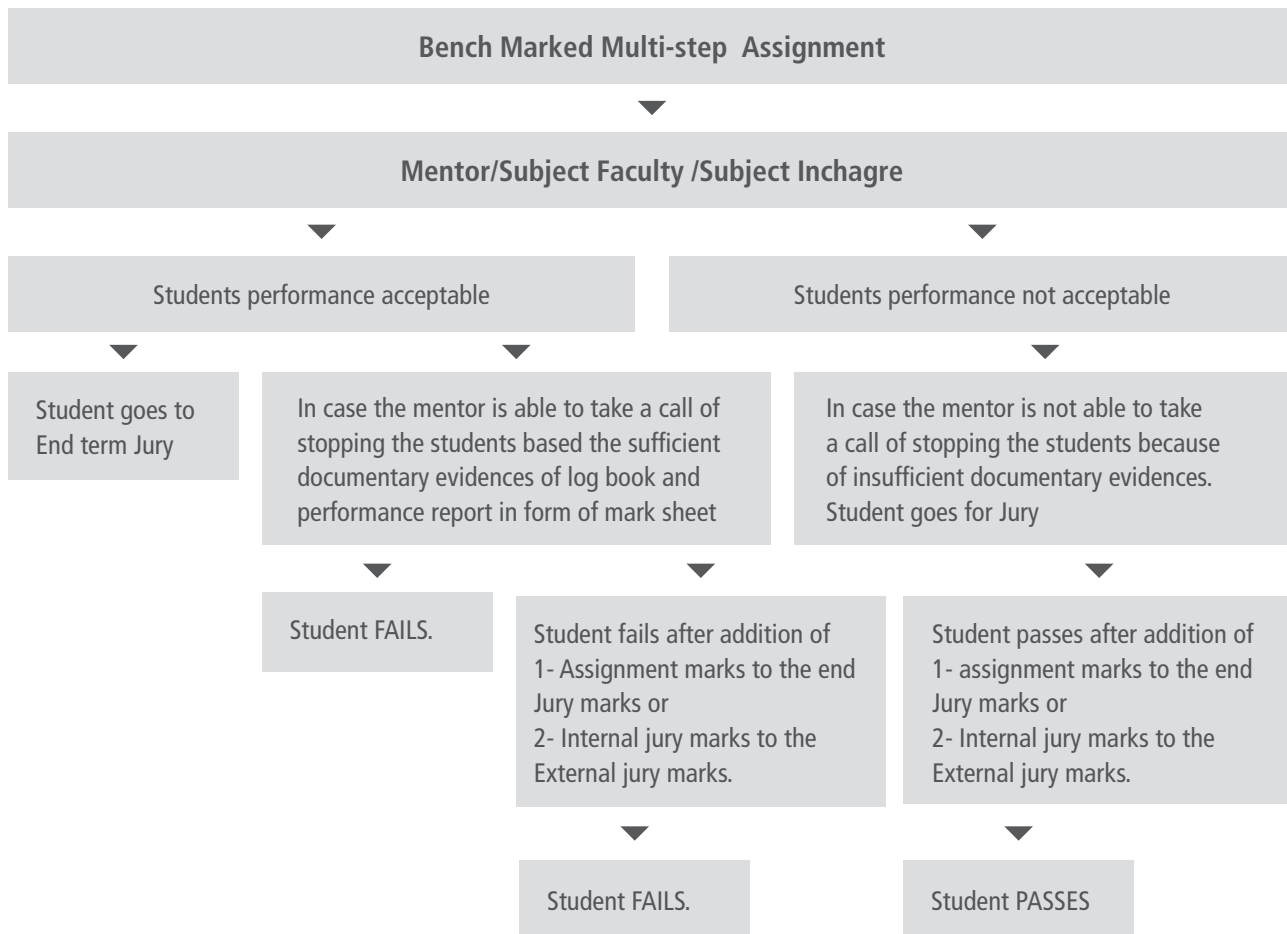

**FLOWCHART FOR EVALUATION OF GRADUATION PROJECTS**

(Inclusive of Research projects for DFT /MFM/PGDS & Design Collection for F&LA/TD/KD/ FD/LD/FC)

**FLOWCHART FOR EVALUATION OF PROCESS BASED SUBJECT (OTHER THAN GP&PM/GC\*)**

In case of PM & GC the final component will be evaluated by the relevant faculty from other department (PM&GC faculty from FD/LD/ TD/KD/DFT/PGDS)

**E.6. LOG BOOKS FOR LABS:**

All the subjects for which, various lab usages are envisaged, students are required to maintain log books to log activities in the labs duly certified by supervising authority. This is a mandatory component/document for the final submission/evaluation.

Maintenance of the Log Book is to ensure that the assignments given to the students are done by themselves exclusively by using the available infrastructure within the campus. This exercise aims at eliminating doubts of the genuineness of the work done by the student as this ensures the supervision of the faculty / technical person during the progress of the assignment work.

Penalty for issue of duplicate log book is Rs. 250/-

**E.7. ASSIGNMENT SUBMISSION:**

The student will submit the assignment in COE cell as per the pre-announced schedule or the same will be spot evaluated as per pre-announced schedule. Students are advised to obtain receipts for the submission of their work. Cases of late submissions will be decided by an empowered committee consisting of COE, CC of concerned department and one nominated faculty (outside the Department concerned) and its decisions are final and binding for the students.

In case of late submissions the committee may decide

- (a) to accept the assignment
- (b) to reject the assignment
- (c) to accept the assignment with penalty of marks.

The committee shall record clear and cogent reasons for their decision.

The students whose assignment is not upto the mark (receiving less than 50% marks) will be allowed to re-submit the assignment within one week, thus giving an opportunity for improvement. However, the re-submitted assignment i.e. the improvement assignment will not be given more than 50% marks. The decision in this regard will be taken together by the teaching faculty and CC.

**E.8. EXAMINATION REGULATIONS FOR CANDIDATES**

The term "examination" includes all tests or evaluation methods used during the semesters of study.

- E.8.1. Candidates should familiarize themselves with the venues prior to the examination day and reach the room at least 20 minutes prior to the start of the exam and take their seats 10 minutes before exam. Candidates are required to present their Admit Card at each examination. Students coming late are not permitted in the Examination Hall after completion of first 15 minutes. No student can leave the examination hall before the expiry of 01 Hour from the commencement of the exam.
- E.8.2. Candidates are not allowed to take bags or books, mobiles to the examination room. They should be left outside the room. The valuables brought by the students are at their own risk.
- E.8.3. Candidates should only have their admit card, the basic writing implements required for the examinations together with the examinations stationery specified in the rubric of the question paper on their desk. Containers, such as pencil cases, should be removed from the desk.
- E.8.4. Calculators that are not pre-programmed may be used if an examination permits it. Calculators that incorporate an alphabetic input are not to be used.
- E.8.5. A candidate must not, on any pretext whatsoever, speak to, or have any communication with, another candidate once the examination is underway. Any candidate wanting to ask a question should attract the attention of the invigilator by raising a hand. The invigilator cannot offer an opinion as to the meaning of any question.
- E.8.6. Where reading time is allowed for an examination, the commencement and completion of this period will be announced by the invigilator. Candidates will not be allowed to write during this period.

E.8.7. All rough work must be done in the answer booklet and crossed out (extra paper for rough work may not used or issued).

E.8.8. It is the responsibility of candidates to ensure that any loose or separate sheet are securely fixed within the answer booklet after the examination using the tags provided. Drawings maybe folded as neatly as possible to fit within the answer booklet.

E.8.9. The answer sheets will be collected by an invigilator at the close of the examination, or earlier if the candidate has finished. Candidates should remain in their seats until their scripts have been collected.

E.8.10. If, during the examination, a candidate is discovered in breach of any of these rules or in the use of any unfair means, the facts will be reported to the CC, COE who will be responsible for deciding on the action to be taken.

Any action by a candidate contrary to the letter or spirit of these regulations, whether discovered during the examination or afterwards, may disqualify the candidate.

**E.9. PROMOTION POLICY**

The promotion to the subsequent semester is based on successful performance in examination, juries, assignments and other evaluation methods for all programmes. The performance will be judged through relative grading system, which is given below:

**E.9.1. Award of Grades and Calculation of SGPA/CGPA**

The students will be awarded grades, which will be converted into Grade point as per the conversion given below. Any marks awarded to students shall be converted to Grade Points

Grades	Grade Points	Description
A	10.00	Excellent
A -	09.00	Very Good
B	08.00	Good
B -	07.00	Fair
C	06.00	Satisfactory

C -	05.00	Average
D	04.00	Low Pass
F	< 4.0	Fail
P	04.00	Re-exam Pass

To pass in a core subject, a student needs a grade of 'C-' and in a non core subject a grade of 'D' is required. The grade points are out of 10.

**E.9.2. Calculation of Total Grade Points earned by student in a semester**

**Semester Grade Point Average (SGPA):**

The Semester Grade Point Average (SGPA) is calculated based on the Credits and Grades obtained by student in all courses.

The number of credits for each course is multiplied by the Grade Point obtained by the student in a particular course and all the products are added. The sum is then divided by the total number of credits registered by the student.

$$SGPA = \frac{\sum (\text{No. of Credits} \times \text{Grade Point})}{\sum \text{No. of Credits}}$$

The SGPA thus calculated for a semester based on the above formula is the semester SGPA. SGPA is mentioned upto two (2) decimal points without rounding off.

**E.9.3. Cumulative Grade Point Average**

$$C.G.P.A. = \frac{\sum_{j=1}^m C_j \times p_j}{\sum_{j=1}^m C_j}$$

Where

C j = Number of credits of the jth course, upto the semester for which CGPA is to be calculated.

P j = Grade point earned in jth course. A grade lower than D (i.e. grade point < 4) in a course shall not be taken into account.

$j = 1, \dots, m$ ; represent the number of courses in which a student was registered and obtained a grade not lower than 'D' upto the semester for which CGPA is to be calculated.

CGPA is to be mentioned upto one (1) decimal point with rounding off.

In case where one subject is being taught by more than one faculty member in a semester, the relative grading process shall be applied for the individual batch taught by each faculty, rather than the Centre as a whole.

In case of subjects evaluated through CEB, the relative grading system will be applied for all students across the centers that have appeared for the given exam.

In case of Non-CEB / Process Based subjects, relative grading will be applied for students Centre wise.

There are lower caps in the relative grading system which define pass core as 50% marks and pass non core as 40% marks

NIFT does not follow any conversion formula to convert grade into percentage, however CGPA may be equated to percentage marks by multiplying CGPA by constant value of 10.

#### E.9.4. Requirements for Promotion

- It is mandatory for a student to undertake all the core courses in discipline and foundation programme courses.
- The minimum number of credits to be earned would include credits for all Core, non-core and Elective course.
- In elective courses a pass would be given with a minimum level Grade Point of D/P\*.
- It is mandatory to pass all the Core and Non-core subjects with 'C-' and 'D' grade respectively or with a 'P' (in case of re-examination) for promotion to next semester.

"P" Grade would be awarded in case of pass in re-examination.

#### E.10. MODERATION POLICY

Moderation is not a student's right i.e., the moderation committee may decide not to moderate. Moderation can be done only once i.e., either before or after the re-examination.

Moderation can be done only in case of students, who fulfill the following:

- Who score a SGPA minimum of 4.5
- Moderation can be applied only to a maximum of 2 subjects.
- Who can pass in all subjects by receiving the moderation.

The moderation will be effected in case of students scoring below grade C – in Core subjects and D in elective / non-core subjects, for deserving cases only.

The moderation will be up gradation of grades.

In case of core course, D grade may be upgraded to "C –" grade.

In case of electives / Non – Core F grade may be upgraded to D grade.

#### E.11. RE-EXAMINATION POLICY

The opportunity of re-examination would be given for a maximum of 50% of the total number of subjects for the current semester. If a student fails in more than 50% of the subjects, then he/she will have to repeat the semester. In case of odd number of subjects, 50% will be calculated by rounding off to the next integer.

A fee of Rs. 1000 per subject will be applicable for re-examination.

Students failing in even one subject after the re-exam are required to repeat the semester, as and when offered with the subsequent batch.

The re-exam would be held for the weightage of the end-term components only as per the evaluation matrix:

The student would be allowed to appear for the re-examination in the nearest NIFT Centre subject to receipt of a request regarding the same through the concerned Centre Director and approval of DG NIFT.

In case of pass in re-examination (irrespective of Core/Non-Core/elective), students would be awarded only "p" grade.

### **E.12. RE-EVALUATION**

E.12.1. Desirous students may apply for re-evaluation only for written examinations on the prescribed Performa through the Centre Director (Performa at Annexure- II.)

E.12.2. The evaluation will be restricted to ensuring that all answers are checked and the marks are correctly totaled.

E.12.3. The application for re-evaluation should be made within five days of declaration of result at the respective centre or COE – HO alongwith the fee of Rs.100/- per subject.

### **E.13. COUNSELING SESSION**

Counseling Session for students who have failed the semester or performed badly will be held, within two days of declaration of result.

Student who fail in a semester or perform badly would be counseled in the presence of all faculty members of the department so as to resolve individual issues of students. Only in cases where the student / parent is not satisfied with the response of the faculty, can an appeal be filed to DG NIFT through the Centre Director.

### **E.14. RECORD OF EXAM PAPERS**

E.14.1. The evaluated answer sheets of the Common Exam Board (CEB) and Non-CEB will be retained for the purpose of record for a period of one semester at HO and in respective centres respectively. Subsequently, these may be destroyed.

E.14.2. Answer sheets can be shown to students. However, students can ask to see only their own answer book (not others). This will ensure transparency and openness in the system which is laudable goal by any standard. For purposes of logistics, this may be done only for students wanting to see these books.

### **E.15. THE POST RESULT SEQUENCE OF EVENTS WOULD BE AS FOLLOWS:**

## **F STUDENTS' SUPPORT SERVICE:**

### **F.1. STUDENT CLASS REPRESENTATIVES**

Each class of student would have two class representatives (CR). The CR for Foundation Programme batches would be selected by the centre coordinator of FP. The CR in other programmes/ semester would be elected by the member of the class. The CR would be responsible for issues pertaining to the class like discipline, communication between faculty & the class etc. All communication by the department to the students would be sent to the CR and it will be his / her responsibility to ensure that all members of the class receive the communication. The CR would be answerable to the CC/ co-CC of the department.

## F.2. STUDENT EXTRA-CURRICULAR ACTIVITIES EACH

Student development program at all NIFT centres is initiated to encourage NIFT students to participate in physical academic and artistic pursuit to round off their education at NIFT. Participation in these activities would complement and facilitate their academic studies while providing ways to socialize, relax, have fun and be revitalized, to face the day to day challenges.

Student Development Activity at each center conducts an extensive schedule of events organized by the NIFT students for NIFT Students. The activities of the clubs include inter-department and inter- college competitions, social events, seminars, guest lectures film nights and others.

One can participate in wide range of activities through its four SDA-CLUBS namely,

- » **Culture Club**
- » **Literary Club**
- » **Sports, Adventure & Photography Club**
- » **Environment & Social Service Club.**

Students shall exercise their options of choosing various clubs at the time of the orientation programme. The clubs are headed by faculty / officers in charge who will nominate students as the office bearers of the specific clubs. The clubs are functional in the activity (Zero) hour, which is on every Wednesday 4.00 p.m. onwards. Various activities are held throughout the year and the final activities of the clubs are highlighted during Fashion Spectrum, an annual event of the institute.

Apart from these club activities, SDA also offers various other programs like

- » **Students Assistantship Programme**
- » **Student Extension Activities**
- » **Student Mentor Programme**

### Student Assistantship Programme (SDAC-SAP)

This programme is designed to aid students who demonstrate a need for financial assistance. In this programme, students

are engaged part time in resource centre, laboratory, CE programmes and workshops within the NIFT premises, and paid as per the number of hours they have worked.

### Student Extension Activities

A formal student's body – STUDENT VOLUNTARY GROUP is created to facilitate proactive interaction between students of NIFT and the various NGOs. The student group, to be known as SVG, is formed to translate NIFT vision of "Concern for Social and Human Value" into a workable proposition. It also increases interaction among the student community through interdisciplinary activities. However, as the processes at SVG are streamlined, the students of NIFT would be encouraged to take up projects with various NGOs. This would finally ensure an environment conducive for proactive interaction between students of NIFT and NGOs in various sectors.

### Student Mentor Programme

The programme assigns a faculty mentor to a group of 5-6 students of every batch. The main objective of putting faculty mentors is to create a mechanism whereby the students are able to discuss their problems with the mentors at a mutually convenient time. This helps students in getting over minor problems which if not dealt with at a proper time may lead to serious problems in the future.

The details of these activities and the subject clubs are with the Student Development Activity Coordinator (SDAC) of the center.

### Student Related Committees

The following committees are constituted at Centres for various matters

S. No	Committee	Related to
1	Hostel Committee	Hostel matters
2	Campus Committee	Campus and discipline related matters
3	Examination Committee	Academic irregularities and evaluation matters
4	Student Discipline Committee	Discipline and student development, involving students.

### **F.3. NIFT MEANS-CUM-MERIT FINANCIAL ASSISTANCE SCHEME:**

NIFT has a Means-Cum-Merit Financial Assistance Scheme scholarship policy for students from financially weak backgrounds. Other than the Scholarship Means-Cum-Merit Financial Assistance Scheme, there may be other scholarships for students which are sponsored by industry, alumni etc. which may differ from center to center. The details of such scholarships would be circulated to the students from time to time.

### **F.4. EDUCATION LOAN**

Students of NIFT can avail of education loan facility from Bank(s). NIFT however will not bear any financial responsibility for repayment of the loan.

### **F.5. COMPLAINTS RESOLUTION PROCEDURE FOR STUDENTS**

Suggestion Boxes are placed at every NIFT-Centre and students are advised to drop their suggestions / complaints in them. The suggestions / complaints will be directly looked into by the Director / SDAC of the Centre.

### **F.6. TRANSFER**

The student's inter center / inter discipline transfer shall only be allowed on the basis of extreme extenuating grounds as per policy provisions. DG NIFT 'S decision is final and binding on the matter.

### **F.7. PLACEMENT**

In the last semester of each programme companies are invited to the Institute to conduct campus interviews as and when necessary for recruitment of graduating students. Specific placement rules are prevalent and have to be adhered to by the students. While the Institute organizes campus placement for students, it takes no responsibility for finding jobs or negotiating terms and acts merely as a facilitator for prospective employer companies and future employees from amongst its graduating students. Placement Guidelines are with the Regional Industry Coordinator (RIC) of the center and will be made available to the students at the appropriate time.

Student not adhering to the placement rules and soliciting jobs outside the campus placement with the companies coming in for placement will invite disciplinary action.

### **F.8. MEDICAL FACILITIES**

Medical facilities by way of a medical doctor and psychological counselor are available at all centres for convenience of students. In case of chronic illness, students are advised to inform the CC & at least 2 students (In class and in hostel/ accommodation) about possible symptoms and immediate assistance required.

### **F.9. SCHOLARSHIP FOR TWINNING**

NIFT has strategic tie-ups with a number of like minded focused educational institutes abroad for exchange and twinning programs. Students can get in touch with International Linkages Co-ordinator of the centre for details / information.

### **F.10. STUDENTS REPEATING THE SEMESTERS**

- F.10.1. Facilities for the student repeating the semester during their detention (LOA/Repeat) period across the centres are:

- F.10.7. In case the student has done well in certain subjects yet failed to clear the semester, he/she would be given a waiver on subjects where he/she has secured a Grade of B or above. When the student repeats the semester, the Grade as mentioned above secured by the student will be kept intact and the student would not need to either attend the classes or appear for examination for those subjects.

### **F.11. MONETORY INCENTIVE FOR CONTRIBUTION TO SPONSORSHIP & ISSUANCE OF MIGRATION AND PROVISIONAL CERTIFICATE.**

Whenever sponsorship is required for any NIFT activity (Academic/co-curricular/extra curricular), students are encouraged to raise the same by giving the concerned student(s) 10% of the money raised which will interalia cover their incidental expenses. SDAC in each centre will certify the students contribution for release of 10% amount.

Migration and / or Provisional Certificate may be issued to NIFT students. The formats for applying and issuing the same are available with the Registrar / COE of NIFT Centres.

### **G GUIDELINE FOR INTERNSHIP/ CLUSTER INITIATIVE/ INDUSTRY & CRAFT RELATED**

During the course of studies at NIFT, students are required to do industry internship/ training visits/ documentation visits/ field study, which could be anywhere in India. For visits outside India, specific details and terms will be worked out by NIFT depending on the context and situation. This is an integral part of the curriculum and no student can, therefore, refuse to participate in these internship/ training/ documentation programmes. The students may have to bear the cost relating to travel, boarding and lodging.

The detailed guidelines for respective programmes will be available with the CC in the Centres.

### **H SERVICES TO SUPPORT TEACHING & LEARNING AT NIFT.**

#### **H.1. RESOURCE CENTRE RULES:**

The Resource Centre is the nodal center for information at NIFT.
