7. The schedule issued with the form of tender listing the details of items to be supplied must not be altered by the tenderer. Any modifications/alterations of the schedule considered necessary by the tenderer, should be in the separate letter accompanying the tender.
8. No paper shall be detached from the tender.

9. The name and address of the tenderer shall be clearly written in the space provided and no overwriting, correction, insertion shall be permitted in any part of the tender unless duly countersigned by the tenderer. The tender should be filled in and submitted in strict accordance with the instructions laid down herein: otherwise the tender is liable to be ignored.
10. The tender is liable to be ignored if complete information is not given there-in, or if the particulars and data (if any) asked for in the schedule to the tender are not filled in online submission and hard copies.
11. Individual signing the tender or other documents connected with the tender must specify whether he signs as
 - i. A sole proprietor of the concern or constituted attorney of such sole proprietor.
 - ii. A partner of the firm if it is a partnership firm, in which case he must have authority to execute contracts on behalf of the firm and refer to arbitration disputes concerning the business of the partnership either by virtue of the partnership agreement or by a power of attorney duly executed by the partners of the firms.
 - iii. Director or Principal Officer duly authorized by the Board of Directors of the Company.
 - iv. In case of (i) a copy of the partnership agreement or general power of Attorney, in either case attested by a Notary Public should be furnished or an affidavit on stamp paper duly sworn or affirmed by all the partners admitting execution of the partnership agreement or the general power the business of the partnership has been conferred on any partner, the tender and all other related documents must be signed by all the partners of the firm. In case of (ii) the person signing the tender should be authorized by a resolution passed by the Board of Directors and a copy of the resolution attested by the Principal Officer should be attached.
12. The bids should be valid in the case of all the tenders for at least 3 months from the date of opening of the tender. In the case of the successful tenderer, rates quoted shall be valid for the entire period of the contract.
13. The tender should be accompanied by an EMD as mentioned along with the tender in the form of DD drawn in favour of NIFT, Rae Bareilly payable at Rae Bareilly. Tenders without EMD will be summarily rejected.
14. Late tenders will not be considered.
15. National Institute of Fashion Technology reserves the right to accept or reject any or all the offers either fully or partly without assigning any reasons and is not bound to accept the lowest bid since due weightage shall be given to several factors besides the commercial bid.
16. The contract once awarded can be terminated by either party after giving one month notice to the other party. Nevertheless, NIFT may terminate the contract of the contractor without any notice in case the contractor commits a breach of any of the terms of the contract; NIFT's decision that a breach has occurred will be final and shall be accepted without demur by the Contractor.
17. NIFT shall in no way be responsible for any default with regard to any statutory obligation and the Contractor will indemnify NIFT in case of any damage or liability, which may arise on account of action of contractor.
18. Dispute, if any, arising out of the contract shall be settled by mutual discussion or arbitration by sole arbitrator to be appointed by the Director, NIFT, Rae Bareilly as per the provisions of the Indian Arbitration and Conciliation Act, 1996 and the Rules framed there under. Any Arbitrator appointed shall not have the jurisdiction to pass any interim awards, or to grant interest higher than 8% charged simply on the award amounts, or amounts payable to either party.
19. The Contractor will work in close co-operation with Building Dept, NIFT for the Repair & Maintenance services as per tender.

20. Payment shall be made quarterly on satisfactory completion of the job, Certified by Engineer- in- charge of NIFT Rae Bareli and TDS as applicable will be deducted.
21. All statutory obligations under various laws from time to time will have to borne by contractor for which no extra payment shall be made to him at any time during the contractual period.
22. The contractor shall at all times indemnify and keep indemnified the owner and its officers, servants and agents from and against all third party claims whatsoever (including time not limited to property loss and damage, personal accident, injury or death of/or property or person of any sub-contract and or the servants or agents of the contractor any sub-contractor(s) and or the owner and the contractor shall at his own cost and initiative at all times, maintain all liabilities under Workman's Compensation Act/Fatal Accident Act, Personal Injuries, Insurance Act and/or their Industrial Legislation from time to time in force.
23. As per NIFT policy, payments and receipts to Government and Semi Government Agencies would be rounded off to the nearer higher rupee and in other cases the rounding off will be to nearest i.e. paise 50 or above will be rounded off to the near higher rupee and paise less than 50 will be ignored.
24. The agreement will be valid for Comprehensive AMC of Split & Window AC units as incorporated in the contract document. This should be strictly adhered to.
25. In case L-1 is more than one then the decision of NIFT will be final.
26. The rates quoted should be inclusive of all taxes and including GST.
27. The rates quoted should be on FIRM & FIXED basis.
28. Comprehensive AMC of Split & Window unit AC's including supply of all material spares, replacement /repairs of compressor from OEM's if within guarantee otherwise party has to change the compressor on own cost basis, gas charging, stabilizer, air filter, electrical parts, servicing, overhauling, greasing, starting relay, overload protector, wiring repairs, motor rewinding with bush and shaft, tapes including handling charges, blower motor/outdoor fan motor, remote set repairs, digital scanner, piping, insulation and spares of outdoor/indoor units replacement etc., complete in all respects, for ensuring the desired levels of cooling.
29. AMC shall also include deployment of full time mechanic (from 10.00Am To 6.00PM every day (Monday to Friday) including holidays at no extra charges. He will report to NIFT-Civil Engineer for daily attendance and will take necessary instruction for effective co ordination, fault analysis and trouble shooting.
30. A minimum stock of spares including compressors, fan & blower motors, fan blades & accessories etc. will have to be maintained at the premises for meeting immediate exigencies of work and upkeep of equipments at all times. Efforts should be made to ensure close to zero MTBF (Mean Time between Failures).
31. Contractor has to do quarterly service of the unit by trained personnel including the following and submit the report to Engineer- in- charge of NIFT Rae Bareli.
 - a). Rectification of defects observed during inspection.
 - b). Checking of electrical parts including motors & rectification.
 - c). Checking & adjustment of controls and lubricating of moving parts.
31. The rates shall be submitted in the prescribed Performa Annexure enclosed.
32. After awarding the contract on the term & condition mentioned in the tender document if a contractor decline to offer service during the contract period EMD/Security deposit /performance guarantee will be forfeited.
33. The penalty amount per complaint will be as follow:

- I. Fault not rectified within 6hour @ Rs 50/- per hour.
 - II. Major faults not rectified within 48 hours @ Rs 200/- per day.
 - III. If OEM or above specification component is not used as maintenance spare, the cost of the equipment will be paid by the vendor if the equipment becomes unserviceable.
 - IV. Any delay beyond 10 days in rectifying the major fault, the penalty will be enhanced to Rs-1000/- per day.
 - V. Beyond 15 days, if the equipment is getting repaired in the open market and the actual cost of the repairs shall be recovered from the contractor. In extreme cases, the action of forfeiture of security money/pending bill/blacklisting of the firm can be resorted at the discretion of the competent authority.
34. Details of all minor/major, routine/preventive repair/maintenance job undertaken shall be entered into the history sheet.
 35. Complaint feedback/performance report:- The Contractor will maintain all records of the complaints in a Register to be provided later by the Engineer-in-Charge.
 36. After completion of the Agreement, contractor has to hand over the system in perfect running condition (complete in all respects as per inventory) to the department.
 37. Any damage to the building or the any part of the equipment which might result during the operation shall be repaired by the contractor.
 38. In case the Mechanic is found absent from his duty, recovery at the rate of Rs. 100/- per day shall be made from the contractor's bill.
 39. Mechanic should have his Mobile Phone at the time of Duty at NIFT.
 40. NIFT shall in no way be involved in any dispute of whatever kind, between the contractor and the staff engaged by him.
 41. Any damage resulting to the system on account of the negligence or mall-operation shall be made good by the contractor. Nothing extra will be paid for such work.
 42. The contractor shall arrange to render efficient service as outlined in this specification. However, in case he fails to maintain the service to the satisfaction of the Engineer- in - charge then NIFT has to incur any expenditure to maintain the installation by alternative arrangement. The expenditure thus incurred will be recovered from the contractor.
 43. The EMD of successful bidder will be returned only after the receipt of security deposit/Performance guarantee.
 44. The contractor or his representative, labour should not remove, disturb, and dislocate the existing equipment and its parts from its positions until and unless it is authorized by the Engineer - in - Charge in writing. The entire installation should be intact at any time of inspection as was handed over to him at the time of initial taking over of its maintenance and operation. Care shall also be taken not to damage installation by improper handling.
 45. Water and power shall be made available free of cost for bonafide use.
 46. The material requires replacement shall be of same quality/manufacturer and specifications. The dismantled material shall be the property of contractor.
 47. The staff deployed by contractor shall be versed with the job requirement and shall not be changed without information to NIFT engineer.
 48. The successful bidder shall deposit **Rs. 20,000/-** (including amount of EMD) as Security deposit /Performance guarantee with NIFT in shape of demand draft (in favour of NIFT, Rae Bareli), fixed deposit receipt or bank guarantee. No interest shall accrue on this deposit which will be returned after expiring the AMC period and after adjusting dues, if any.

49. Initially maintenance contract shall remain valid for one year and it may be extended/renewed every year for further two years only subject to satisfactory performance during the contract period . Nevertheless, the first party may terminate the contract of the second party without any notice in case the contractor commits a breach of any of the terms of the contract. First party's decision that a breach has occurred will be final and shall be accepted without demur by the second party.
50. Tender once awarded may be extended further subject to satisfactory performance of the Contract.
51. During the contract period, if the performance is not satisfactory then performance guarantee may be forfeited.
