Office Memorandum

**Subject: Provisional seniority list of Assistant Professors on regular basis across all campuses**

The provisional Seniority List of Assistant Professors across all NIFT Campuses (PB-3+GP-5400/- / Level 10 of 7<sup>th</sup> CPC) is annexed herewith.

2. The provisional seniority list of Assistant Professors has been drafted keeping in view the relevant provisions of para-12 regarding 'Seniority' in Chapter-II of General Service Rules at page-174 of NIFT Establishment Manual which provides that the seniority of all direct recruits in a particular grade shall be determined by the order of merit in which they are ranked by the Selection Committee for such appointment; persons appointed as a result of earlier selection being senior to those appointed as a result of a subsequent selection.

3. In the case of those appointed initially on contract basis and later regularised on the basis of assessment by the Screening Committee, the order of merit drawn by the Screening Committee at the time of such regularisation has been taken into account. In the case of candidates securing equal marks in the direct recruitment of Assistant Professors, the person born earlier is taken as senior.

4. Directors of the respective NIFT Campuses are requested to circulate the Provisional Seniority list amongst the concerned Assistant Professors. All Assistant Professors in the list may be requested to go through it carefully and point out any discrepancy therein and their requests if any (along with supporting documents), for correction/modification, duly verified by the Campus Directors may be forwarded to the undersigned for further action latest by **4<sup>th</sup> March 2019**.

5. Campus Directors are also requested to get the contents of the list i.e. Name, DOB, Category, Date of Appointment (Regular/Contract) and qualifications verified and send a report latest by **4<sup>th</sup> March 2019**.
